

Curriculum Vitae

PRADYOT RANJAN JENA

PERSONAL INFORMATION

Address: National Institute of Technology Karnataka, Surathkal.
Telephone: +91 7899495351
Email: jpradyot@gmail.com
Citizenship: Indian
Date of Birth: 21 July 1978
Sex: Male
Marital Status: Married

EDUCATIONAL QUALIFICATION

Ph.D. Economics, Indian Institute of Technology (IIT) Kanpur, 2002 – 2007.
Dissertation: “Impact of Trade Liberalization on Environment: The Evidence from India”.

M.Phil. Economics, University of Hyderabad, 2000 - 2002
Dissertation: “Integration of Financial Markets in India: An Empirical Analysis” (Passed with 1st class).

M.A. Economics, University of Hyderabad, 1998 - 2000
Special Subjects: Micro-economics, Macro-economics, Industrial Organization, Econometrics, Development Economics, International Finance, Environmental Economics (Passed with 1st class).

EMPLOYMENT HISTORY

Duration	Position held	Institution	Major responsibility
May 2015 – till date	Associate Professor	National Institute of Technology (NIT) Karnataka, Surathkal	Teaching BTech, MTech, MBA and PhD students, Conducting independent research, Obtaining external project funding
2013 Jan – April 2015	Agriculture and Development Economist	International Maize and Wheat Improvement Center (CIMMYT), Nairobi.	Poverty and hunger eradication in Sub-Saharan Africa through innovating advanced technologies in agriculture, especially in Maize and Wheat enhancing technologies. Design research projects, develop methodologies, collect and analyze primary data and publish journal papers.
2007 Sept – 2012 Dec	Senior Research Fellow	Institute for Environmental Economics and World Trade (IUW), Leibniz University of Hannover in Germany	Teaching Master level and undergraduate courses, Developing independent projects, raising funding for them, empirically analyzing the primary data, supervising MSc students
2006 July – 2007 Aug	Assistant Professor	National Institute of Technology (NIT) Rourkela	Teaching and Research

AREA OF SPECIALIZATION

- Development Economics,
- Agricultural Economics,
- Econometrics and Data Analytics,
- Resource Economics

EXPERTISE IN QUANTITATIVE RESEARCH METHODS

I have been working with quantitative methods of data analysis particularly econometric modeling right through my PhD and beyond. The specific quantitative techniques I am experienced with are –

- Micro-econometric modeling
- Randomized Control Trial analysis
- Impact evaluation analysis

PROJECT UNDERTAKEN/ RESEARCH GRANT

Table: Project description

Time period	Project title	Responsibility	Funding agency
From July 2021 till present	Impact of Soil Health Card Scheme on Productivity and Income of the Farmers: A Randomized Control Trials Experiment in Eastern India	Principal Investigator	Asian Development Bank Institute (ADBI), Japan
From May 2019 till present	Adaptation of Climate Smart Agriculture Practices: Challenges and Opportunity for Indian Smallholder Farmers	Principal Investigator	SPARC Project-Ministry of HRD, Govt. of India
From April 2019 July 2022	Moving towards Climate Resilient Agriculture: Understanding the Factors Influencing Adoption in India and Japan	Project leader from India	ICSSR-JSPS, a Indo-Japan joint research project
From June 2018 September 2019	Coffee Certification and Food Security with special reference to Gender sensitiveness in Araku valley, Andhra Pradesh	Project leader	Institute for Environmental Economics and World Trade, Leibniz University of Hannover, Germany
From April 2018 September 2020	A Study of Adaptation to Technological Innovation in Agriculture to Mitigate Climate Change Effects and its Impact on Rural farmers	Principal investigator	ICSSR, India

From January 2013 till April 2015	Assessment of Maize situation, outlook and investment opportunities in Southern and Eastern Africa	Project leader	CGIAR
From January 2014 till 2017	Conservation Agriculture and smallholder farmers in Southern and Eastern Africa (CASFESA)	Project leader in Kenya	IFAD
From June 2013 till December 2015	Assessing the economic impacts of Maize Lethal Necrosis (MLN) in Kenya and Tanzania	Project leader	Government of Australia
From 2011 to December 2013	Assessment of Certification System on Farmer and Trade Levels for Horticultural Products in Thailand (WEGA)	Project advisor	Federal Ministry of Education and Research, Germany.
2009-2012	The Impacts of Forest Coffee Certification Schemes on Socio-economic Sustainability: Case studies from Ethiopia, India, and Nicaragua (COFEIN)	Project leader	Gottfried Leibniz University of Hannover
2008-2010	Evaluating the Socio-economic benefits of Geographical Indications (GIs): A Case Study of Basmati Rice in India	Project leader	Poverty, Equity and Growth Network (PEGNet), Kiel Institute for the World Economy

COURSES TAUGHT

- Macroeconomic Theory and Policy
- Micro Economics
- Engineering Economics
- Applied Econometrics
- Economic growth and inequality
- World Trade
- Trade and Environment: Theory and Evidence

PhD THESIS SUPERVISION (Completed)

- Assessing the Impact of Climate Change on Agriculture: Empirical Evidence from a South Indian State. PhD Thesis Completed at NIT Karnataka by Rajesh Kalli
- Estimation of Vulnerability to Poverty and Assessing Impact of Welfare Measures on Vulnerability: A Study from an Eastern Indian State. PhD Thesis completed at NITK by Sunil Khosla

PhD THESIS SUPERVISION (Ongoing)

- Climate Change Adaptation and Rural Livelihoods in Odisha. PhD thesis ongoing by Purna Chandra Tanti at NIT Karnataka
- Study on Multi Stakeholder Framework Evaluation to measure Multi Dimension Key Performance Indicators and to improve the Performance of Major Sea Ports in India. PhD thesis ongoing at NITK by Prathivi T N
- Climate Finance and its Impact on SDGs. PhD thesis ongoing at NITK by Kamalakanta Dutta
- Trends and Determinants of Obesity in India. PhD thesis ongoing at NITK by Sunil Meher

SELECTED CONFERENCE PROCEEDINGS/PRESENTATIONS

1. Narasimha, P. T., Jena, P. R., & Majhi, R. (2022). Enhancing Sustainable Maritime Business through Lean, Agile, Resilience and Green (LARG) Performance Model in Indian Seaport Supply chain Operations” Presented at the 2nd IEOM India Conference on August 18, 2022.
2. Narasimha, P. T., Jena, P. R., & Majhi, R. (2022). Evaluation of operational efficiency and environmental management: A benchmarking study of Indian major seaports at the 11th Congress of the Asian Association of Environmental and Resource Economics (AAERE) – “A pathway towards Carbon Neutrality in Asia” August 19th-20th, 2022.
3. Sunil Khosla, Pradyot Ranjan Jena (2021). “Impact of Rural Livelihood Program on Vulnerability to Poverty: Empirical Evidence from a Tribal Region of Eastern India.” Presented at Asian Development Bank Institute Conference, Japan, November 17-19, 2021.
4. Purna Chandra Tanti and **Pradyot Ranjan Jena** (2021). “Role of Institutional Factors in Climate-Smart Technology Adoption in Agriculture: Evidence from an Eastern Indian State” presented at ADBI Virtual Conference on Environmental Challenges and Agricultural Sustainability in Asia: Interlinkages and Future Implications, Japan, December 8-10, 2021
5. Purna Chandra Tanti and **Pradyot Ranjan Jena** (2021). “Adoption Of Climate-Smart Technologies in Agriculture: Evidence from Eastern Indian State” presented at International Conference of Agricultural Economist (ICAE 2021). 17-3, August 2021.
6. Purna Chandra Tanti and **Pradyot Ranjan Jena** (2021). “Prediction of the Key Determinants of Climate-Resilient Technology Adoption: A Case study of Odisha” presented at Tropentag Hybrid Conference 2021, University of Hohenheim, Stuttgart Germany, September 15-17, 2021.
7. Pradyot Ranjan Jena & **Purna Chandra Tanti** (2021), “Understanding the Determinants of Decision making to adopt Climate Smart Technologies among the Rural Farmers of Odisha” presented at INSEE 11th Biennial Conference, IIITD, December 15-17, 202.

8. **Pradyot Ranjan Jena** and Sunil Khosla (2019). Role of Direct Employment Scheme and Health Policy on Household Vulnerability to Poverty: Empirical Evidence from Eastern Rural India. Presented at PEGNet Conference “Promoting social, economic and socio-political development through social protection”, Bonn, Germany, September 9-10, 2019.
9. **Pradyot Ranjan Jena** (2019). Sustainable Agriculture in Development Countries: What Do We Know from Evidence? Presented at National Conference on Inclusive Green Growth in India: Path Way to Sustainable Development. January 18-19, 2019 at Utkal University, Bhubaneswar, India.
10. Prathvi TN, R. Majhi and **Pradyot R. Jena** (2019). Study on Port Performance dimensions and evaluation for Indian Major Sea Ports –A Conceptual Model. Accepted for presentation at the 27th Annual Conference of the International Association of Maritime Economists (IAME 2019 Conference), Athens, Greece, from 25th to 28th June 2019. (**Main Supervisor**)
11. Sunil Khosla, **Pradyot Ranjan Jena** (2019). Escaping and Falling into Poverty in Rural Odisha: Empirical Evidence from Panel Data. Presented at 8th International Engineering Symposium - IES 2019 during March 13-15, 2019, Kumamoto University, Japan. (**Main supervisor**).
12. **Pradyot Ranjan Jena** (2019) Can organic certification Improve smallholder Livelihoods? An Empirical study from Southern India. Presented at the 2nd International Conference on Business, Economics and Sustainable Development during January 17-18, 2019 at **TERI School of Advanced Studies Campus, New Delhi, India.**
13. Purna Chandra Tanti and **Pradyot Ranjan Jena** (2019). Agricultural adaptation to climate change in Karnataka: An empirical analysis. Presented at the 2nd International Conference on Business, Economics and Sustainable Development during January 17-18, 2019 at **TERI School of Advanced Studies Campus, New Delhi, India. (Main supervisor).**
14. Rajesh Kalli and **Pradyot Ranjan Jena** (2018). Measuring the Impact of Climate Variability on Rice and Finger Millet: Empirical Evidence from a Drought Prone Region of India. Presented at 10th International Conference on Agricultural Economist during July 28-August 2, 2018 at Vancouver, Canada. (**Main supervisor**).
15. **Pradyot Ranjan Jena** (2018) Livelihood Improving Impacts of Coffee Certification Programs: An Empirical Study from Araku Valley, India. Presented at 6th International Conference on Applied Econometrics (ICAE-VI) during July 5-6, 2018, ICFAI Foundation for Higher Education, Hyderabad, India.
16. Rajesh Kalli and **Pradyot Ranjan Jena** (2018). Does climate change affect agriculture adversely at smaller spatial scale? Evidence from district-wise analysis

- in Karnataka. Presented at 6th International Conference on Applied Econometrics (ICAE-VI) during July 5-6, 2018, ICFAI Foundation for Higher Education, Hyderabad, India. (**Main supervisor**).
17. S. Srujana, P. Tanti and **Pradyot Ranjan Jena** (2018). Is there a Long-run Relationship between CO2 Emission and Economic Growth in India? Evidence from Time series Analysis. Presented at 6th International Conference on Applied Econometrics (ICAE-VI) during July 5-6, 2018, ICFAI Foundation for Higher Education, Hyderabad, India. (**Main supervisor**).
 18. Sunil Khosla and **Pradyot Ranjan Jena** (2018). A Profile of Poverty in Odisha: An Empirical Evidence from IHDS Data. Presented at 6th International Conference on Applied Econometrics (ICAE-VI) during July 5-6, 2018, ICFAI Foundation for Higher Education, Hyderabad, India. (**Main supervisor**).
 19. R. Kalli and **Pradyot Ranjan Jena** (2018). Assessing climate change impacts on millet yields in the Karnataka region of Southern India. Presented at 7th International Engineering Symposium - IES 2018 during March 7-9, 2018, Kumamoto University, Japan. (**Main Supervisor**).
 20. Rajesh Kalli, Sunil Khosla and **Pradyot Ranjan Jena** (2018). Effect of climate variability on agriculture using regression analysis. Presented at National Conference on Data Analytics. Machine Learning and Security. February 15-16, 2018, GGV. Central University Bilaspur, Chhattisgarh, India. (**Main Supervisor**).
 21. **Pradyot R. Jena** and B. Nayak (2017). Can Third Party Certification Programs Improve livelihoods and reduce food insecurity: an empirical study from south India. Presented at the INSEE-KILA International conference on sustainability, institutions, and incentives: voices, policies and commitments during 08-10 November at KILA, Thrissur, India.
 22. Sunil Khosla and **Pradyot Ranjan Jena** (2017). Estimating the Determinants Alleviation: An Empirical Study from Rural Odisha. Presented at International Conference on India after 25 years of Economic Reforms: What's achieved? What's ahead? Central University of Kerala, India. (**Main Supervisor**).
 23. Rajesh Kalli, Sunil Khosla and **Pradyot Ranjan Jena** (2017). The impact of climate change on agricultural evidence of cereal crop using panel regression from Karnataka. Presented at the 5th National conference of Network of Rural and Agrarian Studies (NRAS) on agrarian Transition 'and Rural-urban Linkage in India in 21st century during 27-29 October, 2017 held at NCDS, Bhubaneswar. (**Main Supervisor**).
 24. Potential Recommendation Domains for Conservation Agriculture in Eastern and Southern Africa. 6th World Congress on Conservation Agriculture. June 22-26, 2014. Manitoba, Canada. (Co-author, Total 4)

25. The Impact of Coffee Certification on Small-Scale Producers' Livelihoods: A Case Study in Jimma Zone, Ethiopia. 28th Triennial Conference of the International Association of Agricultural Economists (IAAE) in Brazil from August 18 to 24, 2012. (First author, total 3)
26. A study of changing patterns of energy consumption and energy efficiency in the Indian manufacturing sector) MPRA Paper, University Library of Munich, Germany. 2011. (Only author)
27. Coffee certification and poverty in Nicaragua: Should we be optimistic? paper presented at PEGNet conference 2010, South Africa. (First Author, Total 3)
28. Does Geographical Indication (GI) labeling increase producer welfare? A case study of Basmati rice in Northern India. paper presented at the International society for ecological economics (ISEE) conference 2010, Bremen-Oldenburg, Germany. (First author, Total 2)
29. Estimating environmental efficiency and Kuznets curve for India. paper presented at the International Association of Agricultural Economists Conference, Beijing, China, August 16-22, 2009. (Only author).
30. Growth-Trade-Environment Nexus in India. Proceedings of the German Development Economics Conference, Zurich 2008, Verein für Socialpolitik, Research Committee Development Economics. (First Author, Total 2)
31. Impact of Coffee Certification on Small-scale Producers: A Case Study in Jimma Zone of Ethiopia, Tropentag, 2011, Germany. (First author, Total 4)
32. Factors Determining Behaviour of Thai Households in Adopting Geographical Indication Certification for Jasmine Rice, Tropentag 2011, Germany (Co-author, Total 3)
33. Welfare Effects of Coffee Certification: Some Evidence from Nicaragua, Tropentag 2012, Germany (First author, Total 3)
34. Impact of Certification for Tribal Coffee Growers Wellbeing: A Case Study from Araku Valley, India, Tropentag 2012 (Main supervisor, Total 3)

REVIEWER OF JOURNALS

Reviewed articles for the following journals –

- World Development
- Ecological Economics
- Agricultural Economics
- Applied Economic Perspective and Policy

- Journal of Cleaner Production
- Agribusiness
- Environment and Development Economics
- Regional Environmental Change
- Food Security
- Development Policy Review
- Journal of Agricultural Economics
- Food Policy

EDITOR IN JOURNAL

1. Associate Editor: *Frontiers in Climate – Climate and Economics* (*Frontiers in Climate | Climate and Economics*)
2. Guest Editor in *Frontiers in Sustainable Food Systems*
3. Member of Editorial Board in *Turkish Journal of Forecasting*

STATISTICAL SOFTWARE SKILLS

Excellent operating knowledge in the following statistical softwares: STATA, SAS, EViews, LIMDEP and SPSS

PROFESSIONAL MEMBERSHIP

- International Association of Agricultural Economics (IAAE)
- South Asian Network of Development and Environmental Economics (SANDEE)
- Indian Society for Ecological Economics (INSEE)
- International Society for Ecological Economics (ISEE)

(Dr. Pradyot Ranjan Jena)
